What’s New
There will be an increase to the Cigna CDHP/HDHP (HSA Eligible) In-Network Deductible and Out-of-Pocket Maximum: $1,400 Individual / $2,800 Family. AURA is offering an Employer Paid Employee Assistance Program (EAP) through Optum. There will be a new option for Pet Insurance through Nationwide as well as new Voluntary Legal and Identity Theft Protection Plans. Changes to Tuition Reimbursement for 2020. Wellness program enhancements with an increase in incentives and program activities. MetLife Dental member ID change.

Introduction
AURA is committed to a comprehensive employee benefits program that helps our employees stay healthy, feel secure, and maintain a work life balance.

This Benefits Guide provides general information to get you started; however, more detailed information is available within the contracts between AURA and the insurance providers. *These legal documents always govern and determine your exact benefits.*

*Information within this Guide is subject to change throughout the plan year.*

Benefits Eligibility

**Who is eligible for coverage?**
All active part-time and full-time employees regularly scheduled to work 20 or more hours per week. Employees may elect coverage for themselves, their legal spouse or domestic partner/civil union, and/or their dependent child(ren) who are under the age of 26 for Medical, Dental, Vision and Worksite Insurance. Domestic Partners are not eligible for Voluntary Life/AD&D.

For complete legal spouse, domestic partner/civil union, and dependent children eligibility qualifications please refer to each carriers’ Certificate of Coverage.

**Dependent Social Security Numbers**
Employers are required by Medicare legislation to collect Social Security Numbers for your enrolled dependents. When enrolling or renewing your medical coverage, please have this information with you for your spouse/domestic partner and eligible children. Please submit Social Security Numbers for newborns once they are issued.

**When can I enroll for coverage?**

- Initial eligibility – First of the month coinciding with or following 30 days of employment
- Open Enrollment
- Qualifying Event (see “What is a Qualifying Event” on page 4)

*You must submit an enrollment form in order to enroll, make changes, or waive coverage within 30 days of your eligibility.*
What is Open Enrollment?
Open Enrollment is the time of year during which you can newly enroll for benefits, make changes to existing benefit elections, or waive coverage. Open Enrollment is usually held each November with an effective date of January 1st. Our benefit plan year runs January 1, 2020 - December 31, 2020.

This is the only time of the year that you can make changes without experiencing a Qualifying Event.

Open Enrollment elections should be completed online in UltiPro. If an employee fails to complete and submit online elections by the close of Open Enrollment, the employee’s current coverage, with the exception of Flexible Spending Account elections, will continue with no change until the next Open Enrollment period.

What is a Qualifying Event?
A Qualifying Event includes:

- Marriage, Divorce, or Legal Separation
- Birth or Adoption of a Child
- Death of a Spouse or Child
- Spouse’s Open Enrollment
- Change in Spouse’s Employment and/or Insurance Coverage
- Becoming eligible for Medicare
- Becoming eligible for or losing Medicaid
- Dependent child attainment of age 26

You must notify Human Resources within 30 days of the date of a Qualifying Event if you wish to add, waive, or change coverage (Medicaid participants have 60 days). Otherwise, you will have to wait until next year’s Open Enrollment period to make changes.

Paying for Benefits

How do I pay for my benefits?
You and AURA share the cost of your benefits coverage. AURA pays 100% of the Base Plan premium for employee only Medical and Dental coverage. Employees share in the cost for dependent Medical and Dental coverage. AURA pays the full cost of the Basic Term Life/AD&D, Short Term Disability, Long Term Disability and EAP. Employees are responsible for the full cost of voluntary benefits - Vision, Voluntary Term Life/AD&D, Legal/ID Theft, Accidental, Critical Illness and Hospital Indemnity benefit plans as well as the Pet Healthcare Discount Program. Benefits premiums are paid through payroll deductions.

AURA offers employee benefits that are covered under Section 125 of the Internal Revenue Service Code, which allows pre-tax deductions for certain insurance premiums. Under IRS regulations, the pre-tax elections you make annually are binding and cannot be changed unless you experience a Qualifying Event.

The Section 125 Plan provides tax savings by reducing employee premiums from gross salary prior to calculation of Federal and State income taxes and Social Security taxes. By taking advantage of this program via payroll deduction throughout the year, you cannot claim these same expenses on your income tax return.
A domestic partner is not a legal spouse for federal tax purposes. AURA is obligated to report and withhold taxes on the fair market value (FMV) of the domestic partner’s health coverage. Domestic partner benefits may be considered non-taxable only if the domestic partner qualifies as a “dependent” under the definition of a “qualifying relative” pursuant to Internal Revenue Code (IRC) Section 152.

**Medical Benefits**

AURA has contracted with Cigna to provide Medical Plan benefits. There are two Open Access Plus (OAP) Plans to choose from (referred to as the “CDHP/HDHP” and “OAP” Plans). Both plans have the same network of providers.

For employees enrolled in the CDHP/HDHP Plan you may be eligible to contribute to a Health Savings Account (HSA). AURA has contracted with HSA Bank to administer your account.

Cigna Pharmacy Plus three-tier copay plan

- Retail drugs may be obtained In-Network at a wide range of pharmacies across the nation.
- When patient requests brand drug, patient pays the generic copay plus the cost difference between the brand and generic drugs up to the cost of the brand drug.
- Your pharmacy benefits have a combined out-of-pocket maximum with the medical/behavioral benefits.
- Self-Administered injectable drugs - excludes infertility drugs
- Oral contraceptives included
- Includes oral contraceptives - with specific products covered 100%
- Insulin, glucose test strips, lancets, insulin needles & syringes, insulin pens and cartridges included

Cigna Telehealth Connection

Cigna Telehealth Connection lets you get the care you need – including most prescriptions – for a wide range of minor conditions, for which you might otherwise have to visit your doctor or go to urgent care or the ER. Now you can connect with a board-certified doctor via phone or secure video chat, without leaving your home or office. When, where and how it works best for you!

**Choose when:** Day or night, weekdays, weekends and holidays

**Choose where:** Home, work or on the go

**Choose how:** Phone or video chat

**Choose who:** AmWell or MDLIVE doctors

Cigna has contracted with two providers, AmWell and MDLIVE to offer these services at a decreased cost. When you utilize these services, you will pay a per visit copay of $20 if you are enrolled in the OAP Plan or the full cost (approximately $55) up to your deductible if you are enrolled in the CDHP/HDHP, payable at the time of service. Cost for Telehealth visits are qualified expenses under both FSA and HSA regulations (as available).

AmWell and MDLIVE are only available for medical visits. For covered services related to mental health and substance abuse, you have access to the Cigna Behavioral Health network of providers.

Health Savings Accounts (HSA)

If you enroll in the CDHP/HDHP Medical Plan, you may be able to contribute to a Health Savings Account (HSA). HSAs allow you to save money on a pre-tax basis to pay for your family’s qualified out of pocket healthcare (medical, prescription, dental, and vision) expenses.

What is a Health Savings Account?

A Health Savings Account (HSA) is a tax-advantaged savings account that belongs to you. All funds deposited into the account are tax free. It is not a “use-it-or-lose-it” type of account and if you leave your current employer, the funds and account go with you. The HSA must be paired with a qualified Cost Deductible Health Plan (CDHP/HDHP). The account helps pay for the expenses that are applied to deductibles and coinsurance which are not covered by your health plan. Qualified health care expenses such as medical, dental and vision paid from the account are never taxed.
You can open and contribute to an HSA if you:

1. You are enrolled in AURA’s “CDHP/HDHP” Medical Plan
2. You are NOT covered by any other health plan that is not an HSA qualified plan
3. You have NOT received Veterans (VA) benefits within the past 3 months
4. You are NOT entitled to Medicare, Indian Health Services (IHS), or Tricare
5. You are NOT claimed as a dependent on someone else’s tax return
6. You are NOT covered by a healthcare Flexible Spending Account (FSA)

Who is not eligible to open an HSA?

Anyone who is:

- Covered under any health plan that is not a qualified HDHP;
- Covered by a Healthcare Flexible Spending Account (FSA), including a spouse’s FSA.
  - A limited purpose FSA that covers dental and vision expenses only is acceptable.
- Entitled to (eligible for AND enrolled in) Medicare*, Medicaid or Tricare benefits or has received Indian Health Service (IHS) or VA** benefits in the last three months.
- Eligible to be claimed on another person’s tax return.

* If you are 65 and delay Medicare enrollment, please be aware that when you do apply, Medicare Part A coverage will be retroactive for 6 months. You will need to stop contributing to your HSA six months before Medicare is effective to avoid potential penalties.

** Veterans with a service-connected disability may contribute to an HSA regardless of receiving VA benefits.

Adult children covered under your CDHP/HDHP

Your HSA funds cannot be used for adult children that are not qualified tax dependents.

Contributing to an HSA

You can make additional contributions to the account via payroll deduction and accumulate a sizable account balance over time. Due to the tax advantages of these accounts, the IRS limits the maximum amount that can be contributed (both employer and employee funds combined) on a calendar year basis. The maximum contributions are based on how you enroll in the medical plan. For 2020, the IRS limits are $3,550 if enrolled as employee only or $7,100 if enrolled in family (any number of dependents) coverage. Anyone over the age of 55 may qualify for an additional $1,000 contribution.

The 2020 annual limits are:

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Individual</td>
<td>$3,550</td>
</tr>
<tr>
<td>Family</td>
<td>$7,100</td>
</tr>
</tbody>
</table>

(Employee and one or more eligible covered dependents)

If you are, age 55 or older, but under the age of 65, you can make an additional $1,000 annual “catch-up” contribution to your HSA.

AURA Employer Contribution

AURA contributes money into your Health Savings Account for you to help offset some of your out of pocket costs. These funds roll over year-after-year and are yours to keep regardless of your employment with AURA.
The annual HSA contribution limits shown above include all contributions made by you, your employer or anyone contributing on your behalf.

HSA Withdrawals
This is a savings account and you choose when to be reimbursed for qualified expenses. HSA Bank will issue you a Debit Card that can be used at the point of service for many providers and pharmacies. However, you are responsible for ensuring that you are only spending HSA funds on qualified expenses. For a list of qualified expenses, please go to www.hsabank.com.

Since the unused funds roll over from year to year, many people maximize their contributions and use the account as a supplement to their retirement savings plan. With an HSA, you are NEVER taxed on withdrawals for qualified expenses, and there are no penalties for withdrawing funds for any purpose after age 65 (though, it will be taxed as income). HSA funds can also be used for Medicare expenses and premiums, COBRA premiums, and even Long Term Care insurance premiums.

*Note: HSAs are not available to those enrolled in the OAP Medical Plan. For healthcare cost savings options for people enrolled in the OAP Medical Plan, see the Flexible Spending Account section of this Guide*

What can HSA funds be used for?
HSA funds may be used for any out of pocket health care expenses eligible under IRS guidelines. The complete listing of IRS eligible medical expenses can be found at:

Wellness Program
AURA is continuing the Employee Wellness Program for all employees covered under the medical plans. Earn incentives for participating in the Interactive Health Preventive Screenings and other wellness activities.

Incentives are either;
HSA contributions for those that are eligible to contribute to an HSA; or
Premium reductions for those that are not eligible to contribute to an HSA.

2020 Maximum Incentives
1. Enrolled as Employee Only - $700
2. Enrolled as Employee + One - $1,000
3. Enrolled as Family - $1,000

Only employees and spouses may receive incentives for participation in the wellness program.

Interactive Health provides FREE clinical health evaluations for employees and spouses participating in the health plan.
- Personal health evaluations
- 34 panel comprehensive screening
- Blood pressure screenings
- Age/gender Specific Tests
- Results are 100% confidential
  - Optional - share your results with your physician

Employees have multiple ways to earn incentives:

<table>

| **Interactive Health or Cigna Health Coaching Programs** | |
| Completion certificate due to WELCOAZ by 11/30/20 | Employee - $150  
Spouse - $75 |
| **Onsite Health Coaching** | |
| Completions will be reported by WELCOAZ | Employee (3 session max)  
$50 per session |
| **Cigna Health Risk Assessment** | |
| Completions will be reported quarterly by Cigna | Employee - $50  
Spouse - $25 |
| **Annual Exams** | |
| Completion of an annual preventive exam will be reported quarterly by Cigna | Employee - $150  
Spouse - $75 |
| **Dental Exam** | |
| Complete the Annual Exam Verification Form and turn it into WELCOAZ by 11/30/20 | Employee - $75  
Spouse - $50 |

AURA will issue incentives quarterly.
Flexible Spending Accounts

Only employees that have reportable income in the U.S. are eligible to participate. Third country nationals without taxable income are not eligible to participate.

AURA offers Flexible Spending Accounts (FSAs) through TASC. FSAs allow you to save money on a pre-tax basis to pay for your family’s qualified out of pocket healthcare costs (medical, prescription, dental, and vision) and dependent care (child and elder care companion services).

FSAs allow you to save money because your contributions to the accounts are deducted from your paycheck before Federal and Social Security taxes are calculated. The amount of savings you will enjoy by participating in an FSA will depend on your individual tax bracket and the amount of money that is withheld from your paycheck on a tax-free basis. For example, an individual in the 15% tax bracket will save approximately $0.23 on each dollar. The below savings example is derived from 15% federal income tax and 7.65% Social Security (FICA) tax, which equals 22.65%. Depending on where you live, you may also save on state and local income taxes.

How an FSA works

An FSA is an account with automatic deposits of payroll deductions. Here is how it works:

1. You decide in advance how much to contribute to each account each plan year.
2. Your contributions are automatically withheld in equal amounts from your paychecks throughout the year before taxes are applied. Your contributions will be credited to an account(s) in your name.
3. The full election amount in a Healthcare FSA is available for reimbursement at the beginning of the plan year.
   a. With a Dependent Care FSA account, a participant’s reimbursement may not exceed the balance in the FSA account at the time the claim was made.
4. You incur expenses as you normally would. Then you submit your itemized statement or Explanation of Benefits (EOB) with a claim form for reimbursement.
   a. Or, for certain qualified expenses, you may be able to use a Debit Card for direct access to the funds (though you are required to retain your itemized receipts for substantiation).
5. Reimbursements are tax-free so you never pay taxes on the money you set aside!
6. If you do not use your funds by the end of the plan year, you can roll-over up to $500 into the next plan year. If you have more than $500 in unused funds, they will be forfeited to the account under the IRS’ “Use it or Lose it” provision. Does not apply to Dependent Care.
Healthcare FSAs
A Healthcare FSA is designed to help you pay for eligible expenses that are not covered by your basic health plan, as well as any deductible amounts you have to pay, co-pays or coinsurance amounts required for services covered by your insurance plan. Eligible expenses also include many services that may not be covered by your medical, dental, or vision plan. Please refer to IRS Publication 502 for a full list of qualified expenses, for example deductibles, copays, braces, eyeglasses, etc.

When calculating your estimated out-of-pocket expenses, please keep in mind that you are able to get reimbursed for out-of-pocket medical expenses for your spouse, child and any dependent who is a “qualifying child” or relative. A child is a son, daughter, stepchild or foster child under the age of 27. You can contribute any amount up to a maximum of $2,750 for 2020.

**REMEMBER: Employees that have Health Savings Accounts must enroll in a Limited Purpose FSA.**

Limited Purpose FSAs
Employees enrolling in the Health Savings Account must enroll in a Limited Purpose FSA. Eligible expenses include dental and vision only. Please refer to IRS publication 502 for a full list of qualified expenses.

Dependent Care FSAs
The Dependent Care FSA lets AURA’s employees use pre-tax dollars towards qualified dependents care such as caring for children under the age 13, care of children 13 or older who are mentally or physically incapable of self-care, or caring for elders. To decide whether a Dependent Care FSA is right for you, determine if you will incur eligible expenses. Generally, child and elder care companion services are eligible expenses, as are Social Security and other taxes you pay a caregiver.

Eligible dependent care expenses may be reimbursed through a Flexible Spending Account (up to $5,000 per calendar year or $2,500 if married and filing separately) or used to obtain a Federal tax credit on your income taxes. You cannot use both options for the same expenses, and typically, greater savings can be achieved through the Flexible Spending Account.

Every dollar reimbursed through your Dependent Care Flexible Spending Account reduces, dollar-for-dollar, your maximum eligible expenses under the Federal tax credit. Depending on your individual tax bracket, you may be entitled to include a maximum of $3,000 a year in expenses under the Federal tax credit if you have one qualifying dependent and $6,000 a year in expenses if you have two or more qualifying dependents. Please review with your tax advisor to see which option is best for your and your family.

**FSA Elections**
You must make your elections prior to the beginning of the plan year and/or your effective date. The Flexible Spending Account plan year is January 1, 2020 through December 31, 2020. Eligible expenses must be incurred during this period to be eligible for reimbursement. Incurred refers to the date the service is provided, regardless of when you are billed or when you pay for it. You may deposit:

- **Healthcare** - maximum $2,750
- **Limited Purpose** – maximum $2,750
- **Dependent Care** - maximum $5,000
  - If you file separate personal income tax returns, the annual contribution amount is limited to $2,500 each for both you and your spouse.
If you file a joint income tax return and your spouse also contributes to a Dependent Care Flexible Spending Account through his or her employer, your family combined limit is $5,000.

- If your spouse is disabled or a full-time student, special limits apply. Limits are defined in the IRS Publication 503.
- If you and your spouse earn less than $5,000 combined, the maximum is limited to you and your spouse’s combined earnings.

Your elections for the plan year cannot be changed at will. Election changes are allowed only in the event of a status change as defined by the IRS. The change must be consistent with the status change per IRS rules. You must contact Human Resources within 30 days of the status change to make an election change. These include:

- Marriage or Divorce
- Birth or Adoption of a Child
- Death of an Eligible Dependent
- Certain Changes in Your Spouse’s Employment Status
- Change of Care Giver (dependent care only)
- Child Turns 13 (dependent care only)

We encourage all employees to conservatively elect how much to deposit into their Healthcare and Dependent Care FSAs. The IRS requires that money in the accounts not used for eligible expenses incurred in the same plan year be forfeited for your daycare expenses. This is known as the "use it or lose it" rule. If you have a balance in your healthcare account at the end of the plan year any funds remaining in your account in excess of $500 will be forfeited.

**AURA has chosen to allow you to rollover up to $500 of your previous year’s balance of unused Healthcare FSA funds.** Your balance will load after the plan finalization (run-out period 90 days plus plan finalization period 68 days) following of the plan year end. Going forward, until the rollover amount is depleted; up to $500 of unused funds will continue to roll from year to year as long as you are an active employee. You do not have to make a new election for the balance to roll from year to year.

**Dental Benefits**

AURA has contracted with MetLife and EDS to provide Dental Plan Benefits. The MetLife Plan has a national network of dentists and specialists. The EDS Plan is an In-Network ONLY insurance service available only to employees in Arizona.

**Dental Benefit Highlights**

The MetLife plan is a Preferred Provider Organization (PPO) Plan with a national network of Dentists and Specialists to choose from. With the MetLife dental plan you receive benefits whether or not you and/or each eligible dependent visit a participating dentist, you have the opportunity to maximize your benefit plan with access to lower out-of-pocket expenses.

You can also access dental services from providers outside the MetLife network; however, these services are reimbursed at a lower level and have additional out of pocket costs; such as deductibles, co-insurance, and balance billing for expenses beyond the reasonable and customary cost for treatments. Please refer to your plan documents for additional information on coverage for out of network services.

**Disability Benefits**

AURA understands that for most of us our income is the most important financial resource. To be without income for an extended period would most likely be devastating for you and your family. We recognize the importance of protecting your income against the possibility of long-term disability. AURA has contracted with Cigna to provide disability coverage for employees.

**Short Term Disability**

AURA provides full-time employees with short-term disability income benefits; in the event you become disabled from a non-work-related injury or medical condition that leaves you unable to work for a short period of time. Disability benefits become a valuable source of income when you are unable to work. This benefit is designed to replace a portion of your paycheck.

**Long Term Disability**

AURA provides each full-time employee with long-term disability insurance to cover loss of income should you become unable to work as a result of illness or injury for an extended period of time. Employees are eligible for Long Term Disability after 1 year of continuous active employment. Long Term Disability coverage insures a portion of your paycheck and helps you pay for expenses such as your mortgage payment, utility bills, groceries, etc.

Pre-Existing Condition: Limitation is applicable to this coverage for new enrollees. Benefits are not payable for medical conditions for which you incurred expenses, took prescription drugs, received medical treatment, care or services (including diagnostic measures) or for which a reasonable person would have consulted a physician during the 3 months just prior to the most recent effective date of insurance.

Benefits are not payable for any disability resulting from a pre-existing condition unless the disability occurs after you have been insured under this plan for at least 12 months after your most recent effective date of insurance.
AURA pays 100% of the premium for all full-time employees.

Life Assistance Program
Personal problems can affect the lives of employees both at home and at work. When life’s events become challenging, AURA employees, have access to our Life Assistance Program (LAP). The LAP is offered to all AURA employees and their household members through Cigna Behavioral. It is a completely Free and Confidential counseling program. The program provides telephonic or up to three face-to-face sessions per incident per calendar year.

You can access helpful information and powerful emotional health and work-life tools online:
- Search for a CIGNA Behavioral counselor, child, and eldercare directories
- Ask a CIGNA Behavioral expert an emotional health questions
- Access online seminars and self-help programs for stress, depression, insomnia, anxiety, substance abuse, etc.
- Find helpful tips, tools, and articles

Optum Employee Assistance Program
Your Optum Employee Assistance Program (EAP) is dedicated to making your life easier. Here’s how:
- 24/7 toll-free access to master’s level employee assistance specialists who provide consultation, risk screening, advocacy, referrals and educational materials.
- You can request and receive EAP clinician visit certification immediately through the website for routine, outpatient care.
- Face-to-face counseling—a network of clinicians provides goal-oriented counseling.
- Legal counseling and mediation services
- Expert financial coaching
- EAP-licensed telemental health providers available
- Web services available in English and Spanish which contain self-help information, searchable resources databases, video programs, personal empowerment programs and thousands of articles on www.liveandworkwell.com.
- MyLiveandworkwell App allows users to click and call, request a call back, look up EAP benefits, conduct provider searches and access the Live and Work Well website.

Worksite Benefits

Why Cigna?
- If you’re sick or hurt, Cigna pays benefits directly to you not the hospital or your doctor to help with your expenses.
- While you focus on recovery, Cigna focuses on paying you quickly.
- It’s your decision how to use the cash - use it to help pay for rent, childcare, or groceries.
- Plan participation can continue after termination of employment at the same payroll rate.
- Coverage is available for Dependent Children up to age 26.Cigna Accident Injury Insurance
Cigna Accident Injury Insurance

Additional financial protection for covered accidents

Cigna Accidental Injury insurance pays you (or whoever you designate) for treatments or injuries resulting from a covered accident. It can help you pay for expenses such as rehabilitation, transportation, childcare, travel or other out-of-pocket expenses. What you do with the money is all up to you. Coverage continues after your first covered accident and can help provide protection for future covered accidents.

Choose the coverage that works best for you and your family. Your monthly cost will depend on the level of coverage you choose.

Cigna Critical Illness Insurance

Additional financial protection

Cigna’s Critical Illness insurance can help provide you and your family with the additional financial protection you may need for expenses associated with an unexpected covered critical illness – so you can focus on getting better. Cigna Critical Illness insurance pays you (or whoever you designate) a lump-sum benefit for diagnosis of a covered critical illness or specified event like a heart attack or stroke. It can help you pay for expenses such as travel, room and board, transportation, child care or treatment options not covered by traditional insurance. What you do with the money is up to you.

Choose the coverage that works best for you and your family. Your monthly cost will depend on the level of coverage you choose.

Cigna Hospital Care Insurance

How would you pay for a hospital stay? Even with medical coverage, out-of-pocket costs can add up. But with Cigna Hospital Care, you receive a check after a qualified hospitalization resulting from a covered injury or illness. You can use the money however you’d like.

For example, it can help you pay for expenses related to child care, travel, or other out-of-pocket expenses. There are no copays, deductibles, coinsurance, or network requirements. And benefits aren’t reduced because you receive a payment from any other coverage you have, such as medical, accidental injury or critical insurance.

For rate information, refer to the Rate Sheet for your location.
LegalShield

LegalShield Benefits:
- Legal consultation and advice
- Dedicated law firm
- Legal document review
- Access to legal forms/contracts

United Pet Care Pet Healthcare Discount Program
- Guaranteed savings of 20 – 50% on every visit
- Savings are applied IMMEDIATELY to your bill
- All pets are eligible, regardless of age or medical condition
- One year’s membership costs less than a typical visit to the vet
- Costs only $10.60 (or less) per month
- No rate changes for 2019
- Excellent selection of veterinarians

Learn more at http://www.unitedpetcare.com/aura
- To enroll, request an enrollment form from HR
- Do not enroll online
- If you are already enrolled, elections will rollover
- If you need to make a change or cancel coverage, contact HR

Nationwide Pet Insurance

Nationwide pet insurance will help cover expenses if your pet needs office visits, prescriptions, diagnostic tests, hospitalizations, or surgeries. A plan to cover routine care is also available. Employees can visit any licensed veterinarian without preauthorization. Coverage is available for almost any pet: dogs, cats, birds, ferrets, reptiles, and other exotic pets. Each pet will be covered as an individual. Species, reimbursement level and state will determine the price. The employee will pay for coverage through Nationwide directly (not via paycheck deductions).

To get started, please visit www.PetsVoluntaryBenefits.com.
**401(a) Money Purchase Pension Plan**

The Money Purchase Pension Plan (MPPP)--401(a) is a retirement plan for employees of AURA. The retirement plan is a part of AURA’s total compensation package and is intended to help provide retirement income to its employees.

As a Regular Full-time or Regular Part-time AURA employee you are eligible for immediate participation in the 401(a) retirement plan upon date of hire. Non Regular Full-time or Part-time employees become eligible after completing 1,000 hours in a plan year.

The 401(a) Plan is funded entirely by employer contributions. AURA will contribute on a biweekly basis an amount equal to 10% of your eligible wages for the pay period. Employees are immediately vested at 100%. Upon completion of employment, you may have several options for distribution.

Fidelity Investments is the sole provider for the Plan. Eligible employee will be automatically enrolled in the program in the default Vanguard Target Date Funds Investor Shares. Once enrolled, employees may change investment selections from the funds offered within the plan and reallocate among the funds according to the terms of the Plan.

For more information, regarding provisions review the enrollment information at [https://netbenefits.com/aura](https://netbenefits.com/aura)

**403(b) Tax Sheltered Annuity**

As an employee of AURA, a not-for-profit research institution, you are eligible to establish a 403(b) Tax Sheltered Annuity (TSA). This account is distinct from your AURA 401(a) Money Purchase Pension Plan account.

The TSA is funded entirely through pre-tax or post-tax (Roth) employee contributions. The amount of money you may contribute is calculated according to IRS regulations. Most employees may not contribute more than $19,500 per year (2020 IRS limit). Certain “catch-up” provisions allow those over 50 years of age who meet certain eligibility qualifications to set aside an additional $6,500 (2019 IRS limit). It is important for you to know that there may be limits on the total of all your tax deferred compensation plans. You should consult a tax professional regarding your individual situation and the limits that apply. You may elect to contribute any amount up to your maximum.

Fidelity Investments is the exclusive retirement plan provider and record keeper for the AURA Retirement Plans. A tiered investment lineup offers a streamlined menu of investment options.

Information regarding the plan can be found at [https://netbenefits.com/aura](https://netbenefits.com/aura).

As with any issue involving your individual tax situation, we suggest you consult with your tax professional.
Paid Time Off

Vacation
Vacation leave accrues at the rates below for regular full-time employees. Regular part-time employees scheduled at least 20 hours per week accrue a proportionate rate based on scheduled hours. Vacations are to be taken at the convenience of the observatory and normally require advanced approval.

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Hours/Month</th>
<th>Bi-Weekly Accrual</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-2</td>
<td>8</td>
<td>3.69 hours</td>
</tr>
<tr>
<td>3-5</td>
<td>12</td>
<td>5.53 hours</td>
</tr>
<tr>
<td>5 and over</td>
<td>16</td>
<td>7.38 hours</td>
</tr>
</tbody>
</table>

Non-Exempt Employees

NSO Center Exception: Vacation Accruals will be, “Capped” at 384-Hours effective July 1, 2018. If an employee has more than 384 unused vacation hours available on the pay date following July 1, 2018, the employee will not accrue vacation, until his/her balance falls below 384-Hours. Upon completion of employment, an NSO employee will be paid out for all unused vacation.

Sick Time
Eight hours worth of sick leave are accrued per month during the first year; 13.5 hours per month are accrued during the second and third years of employment and 20 hours per month thereafter. Sick leave does not accrue during leave without pay. Temporary and part-time employees who work at least 20 hours per week receive proportionate sick leave credit.

Arizona Sick Time
Part-time and temporary employees in Arizona that are not eligible for sick leave under the AURA Absences/Sick Leave Policy will accrue earned paid sick time in accordance with the Arizona law at the rate of one hour of sick time for every 30 hours worked up to a maximum accrual of 40 hours per calendar year. All Arizona employees may use sick leave in conjunction with the Fair Wages and Healthy Families Act.

Holidays
There are ten paid holidays each year, which include New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day and four holidays as designated by the Center Director. When a holiday occurs on a Saturday, the preceding Friday will be observed; when the holiday occurs on a Sunday, the following Monday is observed as the paid holiday.

Regular Part-time employees scheduled to work at least 20 hours per week receive the same holidays, as do Full-time employees. They are paid in direct proportion to the average number of hours worked per day during the previous pay period if they have worked at least 40 hours or more during that pay period.
Holidays occurring during vacation or sick leave will be paid and not charged against vacation or sick leave. However, holiday pay is not granted during vacation in conjunction with retirement or termination from employment. Holidays occurring during leave without pay will not be paid.

**Tuition Reimbursement**

We support work-related education and training for regular, full-time employees by refunding 100% of tuition cost for grades of A or B and 50% for a grade of C.

Reimbursements are limited to six credits per semester, limited to $12,000 annual reimbursement. Approval must be obtained in advance of registering. Employees eligible for other reimbursement benefits such as the G.I. Bill shall be reimbursed for not more than the amount by which the tuition fee exceeds the benefits to which the employee is already entitled. If employment at AURA is voluntarily terminated, the employee must repay any tuition reimbursement benefits received within one (1) year of the termination date for course work. According to Internal Revenue Code regulations, reimbursement for certain courses, or for payments above established amounts in any calendar year, is considered taxable income.

This is only a summary of the benefit, for more information regarding tuition reimbursement please contact the Human Resources Office.
Glossary

Glossary of Terms
The following are terms commonly used when discussing benefits and insurance. This glossary contains terms used under our medical plan. These terms and definitions are intended to be educational and assist you in understanding how your medical plan works. For additional plan information, refer to your Summary of Benefits and Coverage (SBC).

Allowed Amount
Maximum amount on which payment is based for covered medical services. This may be called “eligible expense,” “payment allowance” or “negotiated rate”. If an out-of-network provider charges more than the allowed amount, you may have to pay the difference. (See Balance Billing.)

Balance Billing
When an out-of-network provider bills you for the difference between the Cigna’s allowed amount and the provider’s charge. For example, if the provider’s charge is $100 and the allowed amount is $70, the provider may bill you for the remaining $30. An in-network provider cannot balance bill you for the covered services.

Coinsurance
Your share of the costs of a covered medical service calculated as a percent of the allowed amount for the service. For example, if the medical plan’s allowed amount for a medical service is $100 and you’ve met your deductible, your co-insurance payment is 30%, then you would pay $30. The medical plan pays the rest of the allowed amount.

Copayment “Copays”
Copays are a fixed amount, which you pay at time of service. Copays are most common for prescription drugs, office, urgent care and emergency room visits. In some cases you may be responsible for paying a co-pay as well as percentage of the remaining charges.

Deductible
The amount you must pay for eligible expenses before the plan begins to pay benefits. For example, if your individual deductible is $2,500; your plan will not pay anything for certain medical services until you have paid $2,500. A plan may also have separate deductibles that apply to specific services. The deductible may not apply to all services i.e. services that are covered by copay.

Explanation of Benefits
Your health plan sends you a record called an “Explanation of Benefits,” or EOB that explains how much you owe. The EOB also shows the total cost of care, how much your plan paid and the amount an in-network doctor or other healthcare professional is allowed to charge a member (called the “allowed amount”).

In-Network Provider
An In-Network provider is a provider who has a service contract with your health insurance company or health plan to provide services to you at a discount.
**Medically Necessary**
Medical services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medicine.

**Out-of-Network Provider**
An Out-of-Network provider is a provider who doesn’t have a service contract with your health insurance company or health plan to provide services to you. You’ll pay more to see a Out-of-Network provider.

**Out-of-Pocket Maximum**
The most you pay during a period specified in the policy or certificate of coverage before your plan begins to pay 100% of the allowed amount. This limit does not include your premium or balance-billed charges.

**Preauthorization**
A determination by a health insurance carrier or a health plan that a medical service, treatment plan, prescription drug, prosthetic device durable medical equipment is medically necessary. Sometimes called prior authorization, prior approval or precertification.

**Prescription Drug Coverage**
Coverage that helps pay for prescription drugs and medications covered under the health insurance carrier’s formulary. A formulary is the list of FDA approved drugs covered under the medical plan. Each drug is classified into a tier and each tier determines the co-payment you will pay for the drug. Drug formularies typically have three or four tiers.

**Primary Care Physician**
A physician including a Medical Doctor, Doctors of Osteopathic Medicine, Internists, Family Practitioner, General Practitioner, OB/GYN and Pediatrician who directly provides or coordinates a range of medical services for a patient.

**Specialist**
A physician who focuses on a specific area of medicine or group of patients to diagnose, manage, prevent or treat certain types of symptoms and conditions.

**Urgent Care**
Care for an illness or injury serious enough that a reasonable person would seek care right away, but not as severe as to require emergency room care.
Health Plan Notices
Federal law requires health plans to provide a variety of notices to participating employees concerning their rights. Included in this packet are some of the required notices relating to your group health plan.

Plan Administrator Contact Information
If you have questions regarding any of the health plan notices that are being provided, please contact the plan administrator listed below:

Plan Administrator Contact – Association of Universities for Research in Astronomy, Inc. (AURA)
Street Address – 950 N. Cherry Ave.
City, State, Zip – Tucson, AZ 85719
Phone – (520) 318-8000

Summary of Material Reduction in Covered Services or Benefits / Summary of Material Modification

| Cigna CHDP/HDHP (HSA Eligible) Plan | Current Deductible & Out-of-Pocket Max: $1,350 /$2,700 | Effective 1/1/2020 Deductible & Out-of-Pocket Max: $1,400 / $2,800 |

Special Enrollment Notice
If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact your plan administrator.

Newborns’ & Mothers’ Health Protection Act
Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the other, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
Women’s Health & Cancer Rights
As required by the Women’s Health and Cancer Rights Act (WHCRA) of 1998, this plan provides coverage for:
- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and physical complications of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.
Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage. Written notice of the availability of such coverage shall be delivered to the participant upon enrollment and annually thereafter.

Contact your plan administrator for more information.

Notice Regarding Wellness Program
The AURA Employee Wellness Program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for Glucose, Uric Acid, Kidney, Electrolytes/Minerals, Liver, Lipids, and CBC. Additional testing is also available by age and gender. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of up to $700 for individual coverage and up to $1,000 for family coverage for participating in the Interactive Health Biometric Screenings and other wellness activities. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the incentive.

If you are unable to participate to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting your plan administrator.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as Interactive Health’s tools and resources. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information
We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Interactive Health may use aggregate information it collects to design a program based on identified health risks in the workplace, AURA will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in
connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) Interactive Health and your own doctor if you choose in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact your plan administrator.

**Notice of Availability of Reasonable Alternative Standard**

If you are unable to participate which is required for you to earn an incentive under this wellness program, you may qualify for an opportunity to earn the same incentive through an alternative course of action. This alternative course of action must be completed by November 22, 2019. Please contact Interactive Health at least two weeks prior to this date at (800) 840-6100 or rasrequest@interactivehealthinc.com to ask about a reasonable alternative standard to qualify for the incentive.

**Rescissions**

The Affordable Care Act prohibits the rescission of health plan coverage except for fraud or intentional misrepresentation of a material fact. A rescission of a person’s health plan coverage means that we would treat that person as never having had the coverage. The prohibition on rescissions applies to group health plans, including grandfathered plans, effective for plan years beginning on or after September 23, 2010.

Regulations provide that a rescission includes any retroactive terminations or retroactive cancellations of coverage except to the extent that the termination or cancellation is due to the failure to timely pay premiums. Rescissions are prohibited except in the case of fraud or intentional misrepresentation of a material fact. For example, if an employee is enrolled in the plan and makes the required contributions, then the employee’s coverage may not be rescinded if it is later discovered that the employee was mistakenly enrolled and was not eligible to participate. If a mistake was made, and there was no fraud or intentional misrepresentation of a material fact, then the employee’s coverage may be cancelled prospectively but not retroactively.
Should a member’s coverage be rescinded, then the member must be provided 30 days advance written notice of the rescission. The notice must also include the member’s appeal rights as required by law and as provided in the member’s plan benefit documents. Please be aware that if you rescind a member’s coverage, you must provide the proper notice to the member.

CHIPRA
If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2019. You should contact your State for further information on eligibility –

Your Information – Your Rights – Our Responsibilities

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Your Rights
When it comes to your health information, you have certain rights. This section explains your rights and some of our responsibilities to help you.

Get a copy of health and claims records
- You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this.
- We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

Ask us to correct health and claims records
- You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this.
- We may say “no” to your request, but we’ll tell you why in writing within 60 days.

Request confidential communications
- You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address.
- We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.

Ask us to limit what we use or share
- You can ask us not to use or share certain health information for treatment, payment, or our operations.
- We are not required to agree to your request, and we may say “no” if it would affect your care.

Get a list of those with whom we’ve shared information
- You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why.
- We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.
Get a copy of this privacy notice
• You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.

Choose someone to act for you
• If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.
• We will make sure the person has this authority and can act for you before we take any action.

File a complaint if you feel your rights are violated
• You can complain if you feel we have violated your rights by contacting us using the information on page 1.
• You can file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201, calling 1-877-696-6775, or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/.
• We will not retaliate against you for filing a complaint.

Your Choices
For certain health information, you can tell us your choices about what we share. If you have a clear preference for how we share your information in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.

In these cases, you have both the right and choice to tell us to:
• Share information with your family, close friends, or others involved in payment for your care
• Share information in a disaster relief situation

If you are not able to tell us your preference, for example if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.

In these cases we never share your information unless you give us written permission:
• Marketing purposes
• Sale of your information

Our Uses and Disclosures
How do we typically use or share your health information? We typically use or share your health information in the following ways.

Help manage the health care treatment you receive
We can use your health information and share it with professionals who are treating you. Example: A doctor sends us information about your diagnosis and treatment plan so we can arrange additional services.

Run our organization
• We can use and disclose your information to run our organization and contact you when necessary.
• We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage. This does not apply to long term care plans.

Example: We use health information about you to develop better services for you.

Pay for your health services
We can use and disclose your health information as we pay for your health services.

Example: We share information about you with your dental plan to coordinate payment for your dental work.

Administer your plan
We may disclose your health information to your health plan sponsor for plan administration.

Example: Your company contracts with us to provide a health plan, and we provide your company with certain statistics to explain the premiums we charge.

How else can we use or share your health information?
We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.

Help with public health and safety issues
We can share health information about you for certain situations such as:
  • Preventing disease
  • Helping with product recalls
  • Reporting adverse reactions to medications
  • Reporting suspected abuse, neglect, or domestic violence
  • Preventing or reducing a serious threat to anyone’s health or safety

Do research
We can use or share your information for health research.

Comply with the law
We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we’re complying with federal privacy law.

Respond to organ and tissue donation requests and work with a medical examiner or funeral director

  • We can share health information about you with organ procurement organizations.
  • We can share health information with a coroner, medical examiner, or funeral director when an individual dies.

Address workers’ compensation, law enforcement, and other government requests
We can use or share health information about you:
  • For workers’ compensation claims
  • For law enforcement purposes or with a law enforcement official
  • With health oversight agencies for activities authorized by law
  • For special government functions such as military, national security, and presidential protective services

Respond to lawsuits and legal actions
• We can share health information about you in response to a court or administrative order, or in response to a subpoena.

Our Responsibilities
• We are required by law to maintain the privacy and security of your protected health information.
• We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
• We must follow the duties and privacy practices described in this notice and give you a copy of it.
• We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.

Changes to the Terms of this Notice
We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, on our web site, and we will mail a copy to you.

Effective Date of Notice 01/01/2020 plan year.
Important Notice from AURA
About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with AURA and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. AURA has determined that the prescription drug coverage offered by Cigna is on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current AURA coverage will not be affected. CIGNA currently offers participants two plans, an OAP plan with a 3 tier plan - $10 for Tier 1 drugs, $25 for Tier 2 drugs and $50 for Tier 3 drugs or the High Deductible Health Plan with a $1,350 combined deductible and 100% coinsurance (no cost after deductible). You can compare this coverage to the Medicare Prescription Drug plan offerings by reviewing a summary of the plans at http://www.medicare.gov/pdphome.asp. In addition, your current coverage pays for other health expenses in addition to prescription drugs. You will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan.

See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at http://www.cms.hhs.gov/CreditableCoverage/), which outlines the prescription
drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current AURA coverage, be aware that you and your dependents will be able to get this coverage back.

**When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage AURA and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information or call Cigna Customer Service at 800-997-1654.

NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through SAMPLE COMPANY changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage: Visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

CMS Form 10182-CC Updated April 1, 2011  According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.78% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.1

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, the employer contribution - as well as your employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

1 An employer-sponsored health plan meets the "minimum value standard" if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. (Section 36B(c)(2)(C)(i) of the Internal Revenue Code of 1986.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact Human Resources.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer
This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - All employees. Eligible employees are:
    - All regular full-time employees scheduled to work 30 or more hours per week.
  - Some employees. Eligible employees are:

- With respect to dependents:
  - We do offer coverage. Eligible dependents are:
    - Your legal spouse, dependent child(ren) who are under the age of 26 and dependent child(ren) age 26 or older who are or becomes disabled and dependent upon the employee
  - We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

---

This benefit guide provides an overview of health and welfare benefits of AURA. This guide overview does not provide comprehensive plan details, for such please refer to the plan documents, including without limitation, policies, certificates of coverage, coverage booklets, and/or contracts for complete coverage details. Copies of such documents may be obtained upon request to AURA’s Human Resources department. If any statement conflicts with the plan documents, the plan documents govern. This guide is not a contract, nor does it operate to create any legally enforceable obligations on the part of AURA, its agents or its employees.
