You want to make some lifestyle changes. Maybe you’ve been feeling a little sluggish and are looking to increase your energy level. Or perhaps you want to lose some weight and just don’t know where to begin. Why not begin by completing the online health assessment for a profile of your health and health status?

Taking a health assessment is a quick and easy way to determine the current state of your overall health, and to figure out what steps you need to take now to improve your health in the future. After all, when you’re healthy, you have the strength and confidence to be your true self.

1. **To start**
   1. Log in or register on myCigna.com
   2. Click on the Manage My Health tab
   3. Select My Health Assessment
   4. On the next page click Take My Health Assessment.

Have your blood pressure, total cholesterol and HDL cholesterol numbers ready so you can put them in when asked.

2. **My wellness score**

   After completing the health assessment, you’ll receive a wellness score based on how you compared to people in your gender and age group. Don’t worry if your numbers are not what you hoped for. You can update the assessment whenever you make a change to your health. You’ll be surprised how just a few simple changes can improve your wellness score significantly.
