Prescription Discount Program (not an insurance)

What is the Prescription Discount Program?

It is a program that offers substantial discounts on prescription drugs purchased through affiliated pharmacies. As a member of Employers Dental Services you are eligible for a prescription drug benefit.

How does the program work?

When you need to fill a prescription, go to one of the participating pharmacies and present your EDS I.D. card with the prescription. **YOU MUST PRESENT YOUR EDS CARD** to receive the following discount:

- **Brand Name** drugs are offered at the average wholesale price less 15%, plus a $3.00 dispensing fee.
- **Generic Substitutes** are offered at the average wholesale price less 30%, plus a $3.00 dispensing fee.

This program is not valid in combination with other discount plans, HMO prescription benefits or prescription cards. The program is available to EDS members and their families. All family members do not have to be enrolled in EDS to utilize the prescription discount program. This benefit is good on medical as well as dental prescriptions.

Which stores participate in the Prescription Discount Program?

Currently, pharmacies located in Bashas’, Fry’s, and Safeway stores participate in APN.

Eligible Dependents

Eligible dependents will include lawful spouse and unmarried children to age 19, or any unmarried children to age 25, who attend an accredited educational institution on a full time basis and are fully dependent on employee for support or as stated in the employer’s master contract. Participants may add dependents midyear if a marriage occurs. Participants may add dependents at date of employer group open enrollment. Dependent newborns or adopted children or children placed for adoption will be eligible immediately upon birth or upon adoption or placement for adoption. All newly eligible dependents must be added within 31 days of change. Dependent children must be deleted when they are no longer eligible.

Formal Grievance & Appeals Process

Levels of Review

EDS members may ask EDS to review its decisions involving their requests for services or requests to have claims paid. The Arizona State Legislatures have established six levels of review. Companies that perform utilization review activities after services are provided (EDS is in this category) are not required to provide the Expedited Appeals Level 1 (Expedited Dental Review), Level 2, (Expedited Appeal), Level 3 (Expedited External Independent Dental Review) or Standard Appeals Level 1 (Informal Reconsideration). EDS members have two levels of review available to them. They are Standard Appeals Level 2 (Formal Appeal) and Level 3 (External Independent Dental Review).

There are two types of appeals: an expedited appeal for urgent matters, and a standard appeal. Each type of appeal has 3 levels. The appeals operate in similar fashion, except that expedited appeals are processed much faster because of a patients’ condition.
