

# IS YOUR DEPENDENT CHILD STARTING A NEW ADVENTURE? THEIR HEALTH PLAN TRAVELS WITH THEM

## COVERAGE FOR OUT-OF-STATE DEPENDENT CHILDREN

If your dependent child is temporarily away from the islands, remind them to pack their Kaiser Permanente health plan benefits. Kaiser Permanente covers routine primary care for out-of-state dependent children who are within the United States and outside Kaiser Permanente’s service areas.

### BENEFIT HIGHLIGHTS:

BENEFIT*	MEMBER PAYS
Office visits	\$20 copay per visit
Basic lab & imaging	\$10 copay per service
Testing	20% of applicable charges
Prescription drugs	20% of applicable charges

### BENEFITS AND SERVICES INCLUDE:

- Coverage for routine primary care
- Prescription drug coverage

These benefits are in addition to the emergency and out-of-area urgent care benefits already included in all our health plans. For details, call us at **1-800-966-5955** (Oahu, neighbor islands, and U.S. mainland).

This is a summary of the Kaiser Permanente Hawaii out-of-area dependent child benefit features. Please see your *Benefit Summary* for complete information about coverage, limitations, and exclusions, including those not listed in this summary. The out-of-area dependent child benefit is not available to Medicare, Medicaid (QUEST Integration), and Added Choice plan members.

\* Office visits are limited to 10 primary care visits per year. Lab, imaging, and testing are limited to 10 combined services per year. Prescription drugs are limited to 10 prescriptions per year. Please see your *Benefit Summary* for details.
