This is a summary of benefits for your dental plan. All deductibles, plan maximums, and service specific maximums (dollar and occurrence) cross accumulate between in and out of network. Your DPPO plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.

**In Texas, the insured dental product offered by CGLIC and CHLIC is referred to as the Cigna Dental Choice Plan, and this plan utilizes the national Cigna Dental PPO network.**

**Charges are based upon an independent third party organization that is the industry standard. Percentile data is based upon the third party organization's aggregated industry-wide claims data.**

This benefit summary highlights some of the benefits available under the proposed plan. A complete description regarding the terms of coverage, exclusions and limitations, including legislated benefits, will be provided in your insurance certificate or plan description.

Benefits are insured and/or administered by Cigna HealthCare.

Did you know that all of Cigna's dental plans include the Cigna Dental Oral Health Integration Program? This program was designed to address research that supports the association of oral health to overall health and provides 100% reimbursement of copays or coinsurance for customers with qualifying medical conditions for program eligible procedures. Additionally, registered program members can access articles on behavioral conditions that impact oral health.
