

## NOTICE REGARDING WELLNESS PROGRAM

AURA sponsors HealthCheck360, a voluntary wellness program available to health plan employees and spouses. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for HDL, LDL, Triglycerides, Total Cholesterol, Glucose, GGT, Cotinine, Creatinine, Albumin, ALP, Total Protein, ALT, AST, GSP, Bilirubin, Globulin, and BUN. The blood test may also include TSH, PSA, CBC, A1c, and hs-CRP. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, health plan employees and spouses who choose to participate in the wellness program will receive an HSA incentive of \$550 for employee & \$350 spouse or a premium reduction. Although you are not required to complete the HRA or participate in the biometric screening, only health plan employees and spouses who do so will receive incentive.

Additional HSA incentives of up to \$150/individual and \$100/family may be available for health plan employees and spouses who participate in certain health-related activities or achieve certain health outcomes. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting HealthCheck360 at 1-866-511-0360 or [support@healthcheck360.com](mailto:support@healthcheck360.com) by 11/30/2020.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.
