

## HOW TO ACCESS YOUR RESULTS

Screening results are available online within 7-10 business days of your screening.

All program participants are able to view their screening results on their myHealthCheck360 account either on the app or at [www.myhealthcheck360.com](http://www.myhealthcheck360.com).

### On the mobile app:

- Log in to your myHealthCheck360 app
- Select **My Health** on the bottom
- View your results
- If you wish to view past results, change the year selected at the top

### On the website:

- Log in to your [www.myhealthcheck360.com](http://www.myhealthcheck360.com) account
- Select **My Program** on the left side of the page, then **Survey & Results**
- You can then generate and download your report

If it has been over 10 business days since your screening appointment and you cannot see your results, please contact our support team at 866-511-0360 or [support@healthcheck360.com](mailto:support@healthcheck360.com)
